mantra31 is a fast and luxurious daysailer with exceptional deck design. Hull shape based on purely racing design, highly efficient keel and rig, large and comfortable self-bailing cockpit with open transom brings sailing experience to a brand new level. With all unnecessary hardware and lines hidden, marine cork on deck and metallic paint modern external appearance is achieved. Surprisingly, real interior containing double full length berth, kitchen annex and bathroom can be found under lifting superstructure. And everything made with highest quality material and carefulness about details both in design and production
